

ARCHITECTURAL HARDWARE

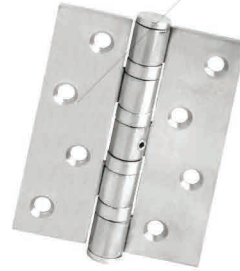

QUALITY IS THE KEY

www.dekksn.com

INTRODUCTION

Dekkson is a major manufacturer and supplier of architectural hardware that has been collaborating with partners across Indonesia in providing quality locks, keys and accessory products that possess both reliable quality and design aesthetic.

Starting its business in 1994, Dekkson has successfully widen its product range to cover hardware and accessories for wooden door, aluminium door, glass door, and window, in which all are qualified to meet various building requirements and standards.

Over the years, Dekkson also continuously enhances its product and services to further guarantee our partners satisfaction in every collaboration.

Highly committed to its motto, **Quality is the Key**, Dekkson offer the best price and quality as well as the best after sales services.

With more than 20 years of experience and spirit to keep on improving, we deliver high quality products which are reliable, artistic, and practical for our consumer's construction and maintenance need.
